1132 Air Park Drive, Aitkin, MN 56431

T: 800-428-9900 or 218-927-2200

Facsimile: 218-927-2333

Email: teemark@teemarkmfg.com

Hydraulics A rugged two-speed hydraulic pump and heavy duty cylinder to 37,000 pound crushing force. The ram is automatically cycled by a unique all hydraulic control valve. The cycle can be manually overridden at any point.

Safety An emergency stop button shuts off all power at a touch. A safety interlock automatically shuts off the hydraulic power when the door is not completely closed.

Portability The bottom has a built in skid for easy fork lift portability.

The TeeMark Drum Crusher Series DC55

has been carefully engineered for rugged industrial service and durability at a reasonable price. It crushes 55 gallon steel drums to 4-6 inches in 35 seconds. It also excels at crushing smaller drums and cans.

We offer four electric motor choices and a gasoline and diesel power engine. Custom modifications and a full line of accessories are available to meet any special requirements.

MODEL	MOTOR		POWER			CYCLE TIME
	hp	type	volts	phase	amps	SEC
DC55-E50	5	TEFC Electric	230/460	3	11/5.5	35
DC55-X50	5	Explosions Proof	230/460	3	11/5.5	35
DC55-G80	8	Gasoline Engine				50
DC55-D90	9	Diesel Engine	w/ electric start			50
DC55-E15	1-1/2	TEFC Electric	220	1	18/9	100
DC55-X15	1-1/2	Explosion Proof	220	1	18/9	100

Warranty: 6 month limited on materials and workmanship

From 1/2-pints to 110-gallons, TeeMark Can and Drum Crushers prepare containers and their contents for recycling or disposal.

Specifications subject to change without notice.

Dimensions	Outside 32" wide X 32" deep x 94" high Inside 28" wide X 28" deep X 39" high
Cylinder	4" bore, 2-1/2" rod, 36" stroke 37,000 pounds ram force
Shipping Weight	1400
